

SUMMER INTERNSHIP – Sydney

Litigation Capital Management Limited (LCM) is a London Stock Exchange listed litigation finance company with our head office in Sydney.

We are looking for a Summer intern for a paid position to provide support to LCM's business (data management, legal research and preparation of marketing material) and the candidate will get hands on exposure to the business. The role will be based in our Sydney CBD office, supporting our global team of Investment Managers and support staff.

It is envisaged that the internship will run from 2 December to 31 January, with a two week break over the Christmas/New Year period (23 December to 3 January inclusive). An earlier, part time, start can be considered if a preferred candidate has availability prior to the commencement of the internship.

The ideal candidate would be:

- in their final year or penultimate year of a law degree;
- have strong mathematics skills and excellent communication and presentation skills; and
- have an advanced knowledge of Microsoft Word, Excel and Powerpoint.

All training on internal business systems will be provided.

Susanna Taylor (Senior Investment Manager) and Stephen Conrad (Chief Financial Officer) will be the points of contact and mentors for the candidate during their time at LCM.

Our business

During your time with LCM you will experience a different aspect to the delivery of legal services than in a typical law firm.

Our core business is focussed on litigation and dispute resolution and our Investment Managers are highly experienced, senior lawyers. We do not prosecute cases ourselves, but provide the financial resources required by under-resourced claimants to run meritorious claims.

It is a fast-paced, but friendly, environment with high levels of collaboration. You will be exposed to litigation strategy, different jurisdictional processes and detailed decision-making across multiple case types.

How to apply

Please submit your application including your CV and a covering letter, via email, to Susanna Taylor at staylor@lcmfinance.com.

Applications close on 15 November 2019.

About LCM

LCM is a leading international provider of dispute financing solutions. This includes single-case and portfolios; across commercial claims, claims arising out of insolvency, class actions and international arbitration.

LCM has an unparalleled track record, driven by effective project selection, active project management and robust risk management. Our capability stems from being a pioneer of the industry with more than 20 years of global experience. Further information on LCM can be found at www.lcmfinance.com
