

JUSTIN WARD

Portfolio Manager - Insolvency

jward@lcmfinance.com | +61 2 8098 1396

Justin heads up the LCM Recoveries business globally and is based in LCM's Sydney office. In this role he has implemented some of the most innovative assignments in the Australian insolvency market.

Justin joined LCM in 2019 as a Portfolio Manager, focussing on solutions for funding insolvency-related claims, assignment of claims and debt purchase. He has been involved in the insolvency industry since 2009, with experience managing complex litigation both as an insolvency professional and as a litigation funder. He is at the forefront of the assignment of insolvency claims having completed a number of assignments in the Australian and UK markets.

Prior to joining LCM, Justin ran a consulting and funding business servicing liquidators and secured creditors in the Australian market. This business had significant success funding matters which traditionally wouldn't have been funded and in maximising returns for creditors.

Justin is a member of the Institute of Chartered Accountants and the Australian Restructuring Insolvency and Turnaround Association. He has degrees in Information Systems and Accounting and a Masters in Business Law.
